JUDGMENT

Koshy,J.

This is a petition for police protection. There are some disputes with regard to the mortgage of some taxi cars and a crime was also registered in Varappuzha police station. On instructions, learned Government Pleader submitted that investigation is being conducted. Police is free to conduct investigation according to law and we are not interfering with the investigation. Now the present complaint is that petitioners and their family members are being threatened. Government Pleader submitted that Ext.P4 complaint was already referred to the jurisdictional Circle Inspector of Police and necessary action would be taken. In the above circumstances, without expressing any opinion on the merits of the disputes, police is directed to see that lives of the petitioners and their family are not endangered and take appropriate action whenever it is required.
